Dear Friends,

I take this opportunity on behalf of my family to express our sincere thanks and appreciation to you for providing air tickets for my wife and two children to join me in the United States. We highly appreciate the efforts made in securing funding from your donors to assist us, especially at a very short notice. We also want to commend the tireless efforts of Ms. Amanda Edmonds, who was always on the phone making sure that everything went well for the safe arrival of my family and that her organization's goal to assist in reuniting families of refugees was achieved.

I cannot tell you how happy we are to be together again and the opportunity provided by the Refugee Reunification Project for my family and for the kids to further their education here after a horrible situation they encountered in Liberia during the height of the civil war.

Finally, I encourage you to continue such humanitarian gestures to the unfortunate around the world, who are craving to come to the United States to seek protection and human dignity. I am sure that through your efforts and those who donate funding to the project, the hopes of many wanting to realize the "American Dream" will be achieved.

May God bless you and the works of your organization.

Very truly yours,

Mr. A.*
